November is here already! We were so busy last month that October seemed to fly by. The children's enthusiasm preparing for Halloween was terrific. We had a great time learning poems, fingerplays, and creating holiday decorations. Everyone enjoyed our visit to the pumpkin farm and our Halloween parties. We will be just as busy in November as we prepare for Thanksgiving. The children will learn the story of the First Thanksgiving as well as how families celebrate the holiday today. The children will try their hand at making butter, cranberry sauce, and popcorn. Our study of Thanksgiving will conclude with a party that parents will cordially be invited to attend. The classes will soon begin work on the "Family" unit and the children will learn that a family is a group of people living together that love and care for each other.

Over 55 Friendship Club

Senior Friendship Club President: Bruce Levy

Howdy Y'Al! Our Senior Friendship Club went to Pine Ridge Dude Ranch in the Catskills on September 23 to 27. Even though it rained on our parade, did we let a few raindrops put a damper on our enjoyment? NEVER!!

We played miniature golf, bocci, horseshoes, shuffleboard on the sunny days. Some enjoyed the indoor heated pool. Other Indoor activities included bingo, trivia, charades and of course, cards. For the more energetic, there was a gym with top of the line equipment.

There was also indoor horse racing. Our own horsewoman, Rochelle, was chosen to be jockey of horse #4. We bet on her. Even though she got to one space before the finish line, someone else won. She is a winner in our eyes and always will be.

Due to inclement weather, the marshmallows were roasted indoors. Jeri and Cy sampled them--sticky, gooey and messy, but oh so delicious!!

Some went to gamble at the new casino in N.Y. They were all winners because they came back with the same amount of money that they went with. At least, that is what we were told. The more adventurous went horseback riding on the trail which was wet and slippery. Lil and Joan decided to go horseback riding in the outdoor corral. We even had a race which resulted in a tie. The hayless hayride was actually called a tractor ride. There were cushions on the bench seats which helped soften the bumpy ride. A couple of women in our group went for a walk. About halfway into our tractor ride, we stopped to pick them up for a ride back. No, we did not leave Rae behind. She opted to walk and took a short cut and beat us back to the resort.

You heard of "Bird man of Alcatraz". One night we had "Bird woman of the Catskills". She owned a bird sanctuary. We saw many live birds, vultures, owls, etc. The stories were very interesting. Most of the wounded birds are nursed back to health and released back to the wild. Some cannot be released because of their injury. They would never survive. One falcon has been with her for 12 years. He stole the show. While she was introducing another bird, he kept flapping his wings to get attention similar to a spoiled child.

Before our dinner, many enjoyed a Happy Hour complete with cheese and crackers. One evening we danced to a terrific country band. When the band took an intermission break, Lew entertained us by playing some music until the band returned. We were taught line dancing another night. Our last night, we used some of the new line dance steps to the music of a disc jockey in the nightclub. Also next to the nightclub is a bar with saddles as seats that revolve. Just imagine having a drink there!!

Hoping to see you at our next meeting. We meet the second and fourth Thursday of every month at 1:30 pm. Light refreshments are always served at our meetings. Our next trip is Woodloch Pines on November 12-15. Come and join in the fun.

Lil and Joan

ROCKAWAY LIONS CLUB NEEDS YOUR HELP AGAIN!

The Rockaway Township Lions have a Christmas party every year at White Meadow Lake Clubhouse for less fortunate children and their families. We have around 250 people who attend and we make sure everyone is fed. Of the 250 that attend about half are children. We have games that our young Lions (Leo's) help with. We also have Santa and that's where we need your help. The Leo's help Santa give out hundreds of toys but due to economic conditions we now are getting half of the toys we usually receive. If you can help with a toy or gift certificate the children and the Lions would greatly appreciate it. Please drop off any toys or certificates at the POA office on or before November 30. Please do not wrap toys. Leo's and Lions will wrap them on Sunday, December 2.

THANKSGIVING

By Phyllis Auerbach

Today is the day we celebrate
The turkey before and after we ate

We sit around the dining room table
Grandma says "sit up, you're not in a stable"

The table's been set with all it's finery
And a bottle's been brought from the local winery

The dishes were mom's and she smiles when she sees them
They're old & beautiful - all are just a gem

Its holiday and good food's brought out
Tradition is what it's all about

Food comes to the table with a flourish
It's all plentiful and will certainly nourish

We eat too much - everything's so good
We all do the same in the neighborhood

When dinner is over we just want to sleep
But we talk about stuff that's not too deep

How come the kids can run around
Where was that energy that they found

Food's put away as our stomach groans
We can eat no more everyone moans

But lo and behold dessert comes out
So do the smiles as we all shout !

I want the chocolate, the pie is mine
So are the donuts, they're quite devine

Some go too early, they pile in the car
They leave in the morning cause they live so far

We'll see you again same time next year
We'll miss you guys and wish you lived near

- How to double or triple eligibility for financial aid (this technique has increased families' eligibility by $10,000)
- How to pick the college that will give the most free money, less loans.
- How to get the maximum amount of money from each school.
- Little known ways to position one's assets, maximizing the aid one would get.
- How to fill out complicated application forms accurately to avoid costly mistakes. Also find out why 90 percent of these forms are filled out wrong.
