Presidents Message
As I write this message, I have just come back from looking at the new maintenance garage going up across from the clubhouse. This project has been many years in the making and those that finally got it done should be recognized. Monies for this building were set aside some thirteen years ago.

Not only is it finally happening, it is coming in on a budget based on prices gotten years ago. All the members of the maintenance and planning committees who have worked on this over the years should be very proud of the new building and without the help of our site manager and head of maintenance we could not have gotten this done.

Every time we complete a major or minor project I take a great deal of pride in our volunteers who commit their time and efforts to get jobs done. In my time as Board member and president I have seen a new deck, revitalized Drum Pool, massive improvements to our common properties, restructuring camp and many other projects too numerous to mention.

Our pride and love of community drive our volunteers to succeed. We receive no compensation, no "freebies", and usually no pat on the back. That's okay because we choose to do our part and expect nothing in return. Everything we have done to make the community better is our reward. Seeing our members enjoy our facilities is what it is all about.

Hope to see you around the lake, deck, clubhouse or pool.

Mark Kempner

POA & Fishing News

KEEP OUR COMMON PROPERTIES CLEAN AND APPEALING

Now that the winter is just about gone, we are beginning to get ready for the summer activities. However, what we find is that our common properties have been vandalized and littered with debris and dog excrement.

We find that tables at the A-field have been broken, gates at our beaches taken off the hinges, and piles of dog excrement piled along the entrances to the Drum Pool, Beach 3, and even on the Clubhouse lawn.

The employees and volunteers work hard to keep our facilities clean and appealing for all to use. However, a few people just don't want to participate.

We urge you to curb your dogs and clean up after them. If you see anyone damaging POA property, report it to the office or security. If we catch someone damaging our property, we will take appropriate action to make sure it doesn't happen again.

Residents need to take responsibility and help to keep our community the best it can be. We depend on each other to do this. Thank you for your help to keep our properties in the best shape it can be.

FOR YOUR SAFETY

Roadside Safety

It is imperative for residents walking, running, riding bicycles, using skateboards, and other roadside activities to observe fundamental safety rules that allow everybody to use their respective share of available roadway space. It is also very important to be visible to the traffic around you. This can be done by wearing light colored or reflective clothing, which can be simulated by applying reflective tape to your outerwear. Another good safety device is a bright flashlight aimed at the road in front of you. Drivers, as a courtesy to other drivers, please use your blinkers to indicate which way you are turning. Please follow prudent safety practices and enjoy the sights, the beauty, and the friendship of the residents in this wonderful community.

Wear a Helmet!

Your friends at the White Meadow Lake POA want to remind you that children under the age of 17 need to wear a helmet at all times when cycling, roller skating, in-line skating, or skateboarding. It is wonderful when adults can model this behavior too.

Head injury is the most serious injury type and the most common cause of death among bicyclists. Be safe!

NO OVERNIGHT PARKING

There is no parking overnight of cars, boats, trailers on beaches 1, 2, or 3, drum pool lot, clubhouse parking lot, or the A field. Be prepared to be ticketed and towed if you park on any of the POA properties overnight without a permit from the POA office.

TROUT SEASON 2015

FISH TALES

We all want to get out on the water and experience success. This by far is one of the best multi species baits I've ever used. The Blakemore Randy's Swim'n Runner mimics a bait fish and no fish can resist! This lure won Casey Ashley the Bassmaster Classic this year and it will make you look like a pro on White Meadow Lake this year! It is an awesome lure to target any fish your after.

How to fish it:

You can burn it fast or fish it slow. Throw it out and jig it back to the boat and get ready to set your hook!

Good Fishing and I'll see you out on WML,

Richie Moschella

They will be participating in several different art projects to reinforce these topics as well as learning new songs and finger plays with a warm weather theme. 5. Persons under 13 years old may not operate any power vessel.
6. Persons 13 to 15 years old may operate a vessel powered by an electric trolling motor, or a vessel 12 feet or longer powered by less than 9.9 total HP, if they have successfully completed an approved boating safety course and have the certificate in their possession.

3. A boat overtaking another boat must give way to the boat it is overtaking.
4. A sailing vessel has the right of way over a motor vessel in all situations. A sailing vessel must not tack suddenly, without due warning, in front of a motor vessel so as to endanger the motor vessel.

GAMES AND GOOD TIMES

By Phyllis Auerbach

Its festival day, its festival day
Its time to have fun and time to play
The annual day in our neighborhood
When life is a blast and everything's good
When neighbor meets neighbor and all are friends
And games and good times are around all the bends
This year we've added lots of good fun
And we hope to bring smiles to everyone
There's a Danceathon coming on Friday night
That we hope will bring the greatest delight
A WML Palooza on Saturday eve
To show what your band has up its sleeve
There's heaps to enjoy and much to do
For each and every one of you
So come and take part in an activity
Or be a spectator, there's plenty to see
Just don't forget this important date
We hope to see you, we've lots for your plate

INTERESTING FINDS IN WML

If you LOVE to hear a story with a happy ending read this. My son, Victor Taboadela found a class ring from 1962 in White Meadow Lake. We advertised locally, put it in the WML Newsletter and contacted the Morris Catholic High School Alumni Department but to no avail we were not able to locate the owner. This past Thanksgiving frustrated that we had this ring for over five years by this point my husband, Anthony decided to try again. He wrote on the Morris Catholic Facebook page but again the school did not acknowledge our request to find the owner. However, Larraine Grimes Brinley from the class of 1962 saw my husband's post and contacted us. She had arranged the last 1962 class reunion and had her yearbook. There was only one female with the initials PB, Pat Bernet, Unfortunately, she had learned while organizing the last reunion that Pat had passed away but offered to look back in her notes to get the husband's information. She was able to connect us with Pat's husband. On Saturday, March 21 Walter Mc Mahon was reunited with his wife's class ring. We learned that his wife lost the ring prior to their marriage in 1970. This means the ring had been in the lake FORTY PLUS years when Victor found it. I asked Walter if you don't mind me asking, "When did your wife pass away because I felt like it was a sign." He stated she had passed away in May of 2009. I got chills since we believe it was that same summer Victor found it only months later. Walter said his daughter had also told him previously to him coming to our home today that it was a sign from her mom. We are so happy he has the ring. He was very gracious and brought us wine and gave my son a gift card which was unnecessary but very lovely. We are just so happy the ring is now where it belongs.

Spring has sprung, the robin red breasts are flying around and hopefully the snow is finally gone and won't be back until next winter. So now we can get our show on the road for our summer and fall coming events.

To start the season, we went to the Brownstone in Paterson for a little bit of country music and a little bit of rock and roll presented by the fabulous "Jersey Dreamers." They give you a show that can't be beat. A lot of dancing and singing and a delicious menu of Braised Beef Ribs and BBQ chicken and all the fixings that go with it. You cannot beat the show that the Brownstone puts on. Every year we look forward to going there.

Our next trip will be to Mt.Airy Casino, after which we will let you all know who the big winners are. (Maybe)

Many thanks Bruce for all the work you put in to make our trips possible.

Thanks to Carol, Lil and Jeri for making up the seating arrangements for the buses and making sure we have lunch or dinner with our friends or compatible acquaintances.

Looking forward to seeing you on our next trip!!!

At the Rockaway Twp. Public Library
On Tuesday, May 5th from 6:30 to 7:30 pm

The seminar will discuss how parents of college-bound high school sophomores, juniors and seniors can receive $2,500 - $25,000 per year that most don't even know about.

THE SEMINAR WILL COVER:

- *Why some middle-class and upper-middle class parents pay close to nothing for their children's college education.*
- *How to double or triple eligibility for financial aid (this technique has increased families' eligibility by $10,000)*
- *How to pick the college that will give the most free money, less loans.*
- *How to get the maximum amount of money from each school.*
- *Little known ways to position one's assets, maximizing the aid one would get.*
- *How to fill out complicated application forms accurately to avoid costly mistakes. Also find out why 90 percent of these forms are filled out wrong.*

THE SEMINAR IS FREE – BUT SEATING IS LIMITED!
Make Reservations to Guarantee a Seat.
