Presidents Message

I was just out walking the dogs over by the clubhouse today. Out on the lake there were kids playing hockey, a couple ice skating and some ice fishermen bringing up some really big fish. I'm not really a winter kind of guy but the snow was coming down softly, no wind and a beautiful blue sky. It was then I realized with all our efforts to maintain the facilities and prepare for camp and the coming season that I forgot how great the lake area is in winter.

We all pay roughly $52.00 per month (625 annually) to live in this incredible community and what I realized was that our enjoyment doesn't begin or end during the summer season. Whether in the clubhouse, by the lake or just out walking, we really have a lot to offer our members during the winter months.

With the really cold weather, our maintenance department should be thanked for still going out and getting the job done, despite the elements. Camp registration has begun and signs of spring will be coming sooner than we think. A special thanks to Charlie Bogusat and Michele Warden for all they do for the community.

THIS AND THAT WAY

By Phyllis Auerbach

So we're starting to plan this Festival Day
And thinking about this and that way
We're meeting and talking about what to do
And wondering about adding something new
Last year's weekend was just lots of fun
And we think that everything has been done
But you never know what we have up our sleeve
With all our good heads, you'd better believe
So please mark the date so you don't go away
We need you to love this year's Festival Day.

Boat Tags

BOAT TAGS, DOCKS, & RACKS

All Dues (Past and Present) Must be Paid in Full to Get Your Boat Tag Saturday, March 7

Boat tags are required for all boats used in WML. Trailered boats and boats kept on private property must display a valid tag while on the water.

Please bring your NJ DMV Boat Registration when you come to the POA Office to apply for your Boat Tag for your gas or electric powered boats.

NOTE: **Maximum Boat Length -16 ft.**
Maximum Horse Power - 9.9hp

ONLY 1 BOAT DOCK & 1 BOAT RACK PER FAMILY.
***STICKERS ARE TO BE PLACED ON BOATS OR TRAILERS ONLY. IF YOU DON'T USE YOUR SPOT BY 06/01/2015 YOUR SPOT WILL BE REVOKED WITHOUT NOTICE.**

Power boats must use the Clubhouse docks with the exception of four spaces at Beach 2.

The POA has the right to impound any gas tank left floating in water in your boat.

Clean both your boat and trailer, after it has been in another body of water before putting it back into White Meadow Lake.

FISHING CLUB

For the Spring and Summer, the fishing club meetings will be held the 2nd Wednesday each month at 7:30 pm.

REMINDER TO BOATERS/ FISHERMEN

Give Our Shorelines Space

Please remember that as per POA Regulations, all boats must stay 50 feet away from shore properties, swimming areas and from the ropes at the POA Beaches. This is important to protect swimmers, wildlife and the peaceful enjoyment of homeowners and community members.

Remove Gas Cans and Standing Water

Please remove gas cans from boats when not in use. Check on your boat after rain storms and remove excess water. The standing water is creating a combination of a health hazard and sinking boats.

Anchor Your Boat

As a courtesy to others, please anchor the back of your boat to prevent knocking into your neighbor's boat.

Anchors may damage the lake's alum and aeration system!

Please follow these guidelines to avoid causing costly damage to the lake's alum and aeration systems:

- Only use a mushroom-style anchor
- Do not drag anchor along lake bottom
- If you snag a line or observe a line on the lake surface:
  - Stop immediately!
  - Remove line from anchor
  - Call White Meadow Lake Security Truck 973-525-9075 or the POA office 973-627-5300.

FISHING SURVEY

We are studying the fish in the lake. Send your catches to webmaster@whitemeadowlake.org.

KEEP OUR LAKE CLEAN

- Do not feed the Lake - reduce or eliminate lawn fertilizers, and don't fertilize your lawn unless a soil test indicates.
- Do not dump lawn clippings or other waste in the lake or near the shoreline -- compost instead.

NO PARKING AT THE BOAT RAMP

As a courtesy to others, please move your vehicle and trailer as quickly as possible when launching and removing your boat from the lake.

Preschool Gazette

March has arrived, and with it the last days of winter and hopefully, the first hints of spring. The children will be very busy this month with several new topics to explore. Our first main unit of study will be transportation. The children will explore ways to travel on land, in the air and in water. The younger children will concentrate on cars, trucks, boats and airplanes. The three and five day classes will have an expanded unit that will include submarines and space vehicles. The second half of the month should be very exciting as we begin our study of dinosaurs. The children will learn when dinosaurs lived, what they ate and how we know about them today. We will also learn the names and characteristics of several specific dinosaurs. March would not be complete without celebrating St. Patrick's Day. We will have some fun with leprechauns, shamrocks and the color green.

FISH TALES

It's the time of the year all anglers look forward to after a long, snowy and frigid winter. It's the beginning of a new fishing season and the ice has melted off White Meadow Lake! The water will be cold all the way into the middle of April but if you select the right lure and presentation you can have success. The most important thing is to have fun and in the process catch some fish!
Here are my bait selections for the month of March on WML

Jerkbait:
When the water is colder, the shad suspend in the water column. I will target the bass with a suspending jerkbait and retrieve it back to the boat slowly pausing the bait a few seconds before starting the retrieve again. It's important to experiment with different slow retrieves slow until you know how they want it.

Lipless Crankbait:
The lipless crankbait can be dynamite on cold shallow bodies of water, especially if there is vegetation. It's very efficient for covering a lot of water. However, I do slow the retrieve down and keep the bait in contact with the bottom. If there's grass, I like to allow it to touch the vegetation and pull it free. In cold water fishing your baits slow is key!

Hub Lakes would like to introduce Darts as a sport. As a trial run White Meadow Lake will begin a Hub Lakes Dart program. Games will be played on Friday nights on a rotating schedule at the participating lakes at 7:00 pm. We need at least 4 WML members in good standing over 21 men and/or women to play but can go up to 8 players. If you would like to play, contact Pat.
