Alert!

We work hard to keep our lake healthy. Please be advised that it is a violation of Twp. Ordinance 4-1.10 to blow leaves into the lake, street and public areas while doing your spring clean-up. The leaves blown into the streets go into the storm sewers which flow into the lake as well as the leaves blown into the lake contribute to phosphate feeding algae and weed growth in the lake. We should abide by the ordinance that years ago the Lake Committee lobbied hard with the township to develop to protect our lake.

PLEASE MAKE SURE YOUR LANDSCAPER ALSO ABIDES BY THIS ORDINANCE WHEN THEY DO SPRING WORK ON YOUR PROPERTY.

Presidents Message

Spring is here the flowers are blooming and the grass is green. Please clean up the street in front of your property. The gravel and leaves make their way into the lake and adds to the cost of maintaining a healthy lake. If you have a boat in the water remember to check on it on a regular basis. On windy days boats can become loose on the docks, also after it rains you will need to bail your boat. Food truck Friday's are back on a limited basis. The Gold bar renovation is moving along and should be ready for a grand re opening later this month (the Tiffany bar will be open most days until then, the deck is always open). New basketball backboards have been installed at the A-field. The WML community yard sale is May 18th & 19th. Happy Mothers Day. Remember all those who gave all for our freedom on Memorial Day. I'm always available to answer your concerns at 973-586-1556.

REMINDER TO BOATERS/FISHERMEN

Give Our Shorelines Space

Please remember that as per POA Regulations, all boats must stay 50 feet away from shore properties, swimming areas and from the ropes at the POA Beaches. This is important to protect swimmers, wildlife and the peaceful enjoyment of homeowners and community members.

Remove Gas Cans and Standing Water

Please remove gas cans from boats when not in use. Check on your boat after rain storms and remove excess water. The standing water is creating a combination of a health hazard and sinking boats.

Anchors may damage the lake's alum and aeration system!

Please follow these guidelines to avoid causing costly damage to the lake's alum and aeration systems:

- Only use a mushroom-style anchor
- Do not drag anchor along lake bottom
- If you snag a line or observe a line on the lake surface:
  - Stop immediately!
  - Remove line from anchor
  - Call White Meadow Lake Security Truck 973-525-9075 or the POA office 973-627-5300.

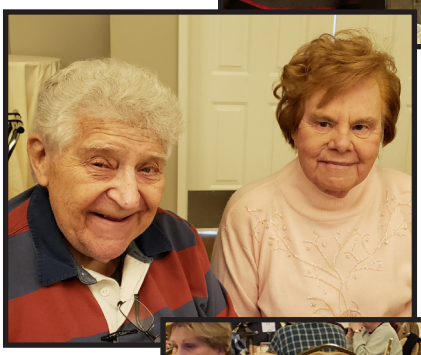
Sunday, June 9 - Thursday, June 13

$380 Residents • $410 Guests of Residents

Trip includes 4 breakfasts, 4 dinners, pizza party, luncheon, and Renault Winery on way home, and entertainment. Cost includes lunch at Renault.

On Wednesday, March 27, our chariot (bus with that "new bus" scent) and our driver, Ricardo, patiently waited for all to board. The scenic route to our destination was absolutely breathtaking. It was our first visit to Anthracite Hotel in Carbondale, PA. Upon arrival, we were greeted graciously.

There was time to shop the merchandise on the tables before eating. It seemed like we skipped Spring and Summer. It was suddenly November (Thanksgiving) when we were served turkey and the most scrumptious stuffing plus all the trimmings and cheesecake for dessert. Everyone raved over the stuffing.



Then came the TV sitcom trivia. It started with the theme song of each show being played. We had to guess the name of the song, main character etc. After that, the murder mystery show began. It portrayed seniors on a trip - VERY INTERESTING!! An appropriate subject.

Before we realized, it was time for us to get back onto our chariot and head for home. Time flies when you are having fun. Everyone was given a cookie for our journey home.

Look at all you are missing. Join us on our next trip on May 16 at Fauchere Hotel in Milford which includes breakfast lunch, entertainment and tour of Grey Towers Mansion and Garden. The club meets every 2nd and 4th Thursday of each month at 1:30 pm. Light refreshments are served free of charge at every meeting. Requirements are: Resident of White Meadow Lake and 55 years of age or older. Looking forward to seeing you at our next meeting.

SECURITY ENHANCEMENTS

Over the past several years the vandalism of our common properties has increased causing us to install surveillance cameras at all the common properties. These cameras have led us to indentify some of the vandals who we have then prosecuted. The cameras have also identified people placing household trash in our garbage receptacles and dumpsters. Our trash cans are to be used for garbage when on common properties and cleaning up after your dog. We would appreciate you following these guidelines.

Our committees work hard to make this a better place to live and enjoy our facilities. Your help in keeping our common properties clean is greatly appreciated by all the residents.

Help Prevent Vandalism!

If you see anyone engaged in any damaging activity call security 973-525-9075. Please be aware that there is a 10:00 pm curfew at all parking lots in White Meadow Lake.

Let's all do our part, keep your beaches, pools, deck and clubhouse clean and put your trash in the garbage cans.
